This is great news! I'm psyched to see new infrastructure in the district.

I don't have a problem "donating" \$\$ to the Leimert Parak BID. I would have a huge problem if he wanted us to donate to one of the DTLA BIDS

We need trash cans so my advice is to jump on this one.

Hi and happy Friday!

We heard through Victor's colleague at Conservation Corps that CD10 was getting rid of a bunch of trash cans in their district. I reached out to see if we could take them off their hands. 30 baskets, \$3000 each. They suggested that we "make a donation [~\$3-5k total] to Leimert Park BID" to which I responded that I didn't think my Board would be ok donating funds to another BID. I asked if there was a nonprofit we could donate to instead, and the answer I got made me think that any nonprofit they recommended would simply be a pass-through to the BID. What are your thoughts here? \$5k is a steal for \$90k worth of NICE trash cans.
